

DIARY

2009

12th/13th December English Cod Festival – Dover.

2010

16th January Annual General Meeting – Poole

17th January Flounder Competition – Poole

11th/15th May European Boat Class & Line Championship – Dalvik, Iceland.
Entries close 18th January 2010

3rd/4th July English Boat – Torquay

3rd/5th September European Species Championship, Marina Albufeira, Portugal.

2nd/9th October Game Championship, Dakar, Senegal
Entries close 1st January 2010

2011

September European Line Class & Boat Championships – Weymouth.

Chairman's Report

Another year has almost past and we have had a very busy and successful year for many of our members with Richard Russell winning the European Line, Ray Barron the European Species and Alan Yates the Shore Championships of the British Isles. Also, many of our teams have obtained great results as well. Congratulations to everyone.

As many of you know, Brian Allum has been fighting illness for the past year and he has regretfully confirmed that he is unable to continue on the Committee. I am sure you will all join me in thanking Brian for all his support and hard work and do wish him well and trust a speedy recovery. Paull Curtice stepped in to assist and organise all the shore events over the past year but he has been juggling many balls to accommodate us and has now decided he must focus on personal matters. I can assure you Paull that the work you have done has been so appreciated by the Committee and indeed I am sure by the membership. Many thanks, and we appreciate that you must now concentrate on more personal matters.

This does leave the Committee in a strange position of having no Shore Representative and no-one on the current Committee is experienced enough to run our shore events. We need to find somebody who feels they can take over this position and who feels they can organise events, attend meetings and work as part of the EFSA England Committee going forward. The Committee and I are very concerned that if we do not have a volunteer then we may have to suspend the organising of shore events until such time as the right person/people come along. In truth, this goes against our feelings as we should be able to offer all our members events for them to attend and fish in. After all, fishing is what we all want and fishing is what we are about. If you are that person and you want to have more input into the running of the Section and organising our shore events for the membership, then please, please do contact myself or any other Committee member for further information. We feel that this is an important part of the EFSA organisation but we have have the post of Shore Festival Officer filled to be able to go forward. The Committee have discussed this at length hence the reason for me writing to you all now.

Due to changes in Dave Oliver's circumstances he has also had to stand down from the position of Press Officer and we thank you Dave and wish you well. Once again this is an important position so if you feel you have the skills in representing the Section and want to be an important part of the Committee then please do let us know.

As you can see the Committee needs some new blood and some more support so if you feel you can offer your services please do contact anyone of us.

I will keep the rest of this report brief by way of thanking every member who supported our Section events in the past year and hope you enjoyed meeting up with everyone and re-establishing the friendships you have within EFSA. I hope to see many of you at the AGM and Flounder event and throughout the next year so I take this opportunity to wish you all a Merry Christmas and a Happy New Fishing Year.

Neil Bryant

Standing Committee Report

Stromness, Orkney – Saturday August 1st

It was good to see Horst Schneider back in the Chair after having been involved in a bad accident in February in Thailand.

Secretary correspondence:

A new proposal has recently been put forward by Iceland to join the EU. This will likely mean they will lose control of their fishing waters and in my view, this would dramatically change the quality and quantity of fish in their waters if European trawlers were allowed in. So if you want to fish the Icelandic water before its destruction, the 2010 Line and Boat in May could be your last chance!

“Membership fees to HQ are payable on the 1st January each year based on the membership numbers on the 31st December of the preceding year. Such fees must be paid by 31st January of that year, failing which, Section membership is invalidated. No exceptions will be considered.”

Elections:

Chairman/President – H. Schneider was willing to stand for re-election and there were no other nominations.

Supplies Officer – A. Jorgensen is retiring and there were nominations from the German Section for J. Josch and the Scottish Section for J. Edwards.

Each of the candidates was afforded the opportunity to give a brief presentation after which a vote was held with Joe Edwards of Scotland becoming our new Supplies Officer.

Championship & Festival Officer (Game) – K. Muskat has resigned and there was a nomination from the Netherlands Section for P. Lobs.

Championship & Festival Officer (Boat) – D. Styles was willing to stand for re-election and there were no other nominations.

Championship & Festival Officer (Shore) – P. Lustig was willing to stand for re-election and there were no other nominations.

Events:

2010 – Dalvik, Iceland – 11th to 15th May

S. Asbjornsson (Iceland) stated that the brochure is now available. (On-line on Iceland and also link on England site) Two dispensations were granted as follows:

a) That skippers and stewards will bleed all fish to ensure that they are in the correct condition to enable them to be sent to market.

b) That anglers be prohibited from lifting a fish into the boat with the rod to prevent any accidents.

2012 – Norway (50th Anniversary of the 1st Championships at Stavanger)

J-E Roth (Norway) stated that no final decision has yet been made as to the venue but it would appear that it would either be Harstad or Tananger. The scoring in Harstad could be by fish weight and in Tananger by species

2010 –European Species, Albufeira, Portugal – 5th to 6th September (Bream)

D. Styles stated that he had been involved regarding the dispensations required. He stated that the Portuguese Section had proposed a dispensation to allow overhead casting. D. Styles seconded this and it was agreed by all concerned. He stated that the details would be along the lines of the early brochure issued. He urged EFSA members to support this event.

2011 European Species

M. Wuest (Germany) reported that information regarding a Species Championship is being considered at present. It is expected that the final proposal will be for a ‘flatfish’ competition in Langeland, Denmark.

With Phil Lustig Championship & Festival Officer (Shore) not at the meeting, regrettably, there was nothing to report on Shore events.

The next Standing Committee meeting will be held on 8th May 2010 at the Culture Hall, Dalvik, Iceland commencing at 0930 hours.

Kim Bowden

Fish Recorder's Report

As we close in on another year, it has been good to see some excellent specimens yet again registered for our awards. This has been the first year that we have tried a change of format for our awards, and as with the previous system, some affiliated Clubs and Personal Members have taken the new format on board more readily than others. The Cornish Federation in particular have fully embraced the new format as you will see from the results to date and we hope that in 2010 we may perhaps even see some of their Members and other Affiliated Club Members embrace full Membership of EFSA and enjoy the full benefits that the Section has to offer. We are replacing the 'Ray' category from the shore with heaviest 'Mullet' for next year. In the meantime please let me have your views on this years change of format.

A full list of the Species Award leaders to date are as follows, and contenders for the annual awards include a shore caught Stingray of 49lb 5oz by G Pressey of the West Wight Club among others for the Norman Witt Trophy (best catch), whilst R Hill with a Trigger Fish of 4lb 4oz from the Cornish Federation is a front runner on the Junior catches. On the overseas front Jim Whippy sampled some Goliath Grouper action in Florida with a fish of 400 lb whilst Weymouth Skipper Ivan Wellington enjoyed a busman's holiday in the Gambia and did battle with a 120 lb Stingray.

All will be decided when this years awards conclude as at 30th November (dockets to me by 15th December). Winners will be notified towards the end of December in readiness for the presentation at our AGM in January.

Current leaders of the best fish of the year awards to date are as follows.

Species	Boat		Shore	
	Weight	Captor	Weight	Captor
Bass	7lb 10oz	K Staff	9lb 6oz	S.Evans
Black Bream	4lb 4oz	R Whitewood	No entries	
Cod	13lb 0oz	M.Smith	6lb 9oz	J Hocking
Conger	70 lb	P Hart	37lb 1oz	M.James
Flounder	2lb 10oz	S. Spencer	3lb 0oz	S Toms
Plaice	5 lb 2oz	A.Selby	3lb 5oz	L Burzynski
Pollack	20lb 9oz	J Stevens	8lb 8oz	T Gerrard
Ray (Blonde)	23lb 8oz	N.Coan	No entries	
Smoothound	25lb 7oz	G Browning	13lb 8oz	P Badger
Whiting	4 lb 6oz	S Hooper	1lb 9oz	M James
Wrasse (Ballan)	5lb 4oz	S Hawken	5lb 13oz	N.Pryor
Other (by %)	2lb 5oz Scad (231.2%)		A.Hill (Cornish Fed)	
	49lb 5oz Stingray (164.3%)		G.Pressey (W Wight)	

From all the above listed names, it should be noted that only five of them are *not* from the Cornish Federation

**Notice of the Annual General Meeting
of the English Section of the European Federation of Sea Anglers
to be held at
The Arndale Court Hotel, Wimborne Road, Poole, Dorset, BH15 2BY
Saturday 16th January 2010 at 11.00hrs.**

In order to assist the Secretary in his preparations, **all members** are requested to indicate on the form within this Newsletter, if they will be attending or not. Or should you prefer, an email is acceptable.

Nominations have been received for the following Committee positions, which are for a 3 year term of office: Chairman, Fish Recorder, and Public Relations Officer.

There are no nominations for the posts of Press Officer or Shore Festival Officer at present. Also, we are looking to create a new position of Social Secretary who's principal duty would be to assist at the events

Any further nominations for any position should be sent to the Secretary in writing, duly proposed and seconded with the consent of the Nominee, by 30th November. Nominations will not be accepted from the floor during the AGM.

Nominations are also required for the position of Honorary Auditor for a 1- year term of office.

Kim Bowden
Secretary

Annual General Meeting of the EFSA English Section

**To be held at The Arndale Court Hotel, Wimborne Road, Poole, Dorset
Saturday 16th January 2010 at 11.00hrs.**

AGENDA

1. Apologies for absence.

2. Minutes of the Annual General Meeting 2009.

3. Matters arising.

4. Executive Officer's Reports.

a) Chairman;	N. Bryant.
b) Vice-Chairman;	D. Styles
c) Secretary;	K. Bowden.
d) Treasurer;	P. Hart.
e) Membership Registrar;	G. Galbraith.
f) Standing Committee Delegate	K. Bowden.
g) Public Relations Officer;	J. Whippy.
h) Boat Festival Officer;	A. Selby.
i) Shore Festival Officer;	B. Allum.
j) Press Officer;	
k) Competitions Coordinator;	R. Barron
l) Fish Recorder;	R. Ashby.

5. Presentation of Fish of the Month Awards – Ray Ashby

6. Report on Championships/Festivals during 2009.

- a) Flounder Competition – Poole
- b) English Cod Festival -- Dover
- c) English Shore Championship – Eastbourne
- d) English Boat Championship – Rhyl
- e) European Species Championship – Plymouth
- f) European Shore Championship – Denmark
- g) European Boat and Line Class Championships – Scotland
- h) Shore Championship of the Britain and Ireland – Dover

7. Election of Officers. (All 3 year terms unless otherwise stated)

- | | | |
|-----------------------------|-----------|-----------|
| a. Chairman. | Nominee - | N. Bryant |
| b. Fish Recorder | Nominee - | R. Ashby |
| c. Public Relations Officer | Nominee - | J. Whippy |

8. Election of Honorary Auditor.

1 yr term - Nominee/s Mr J. Knight

9. Events for 2010.

- a) Flounder Competition
- b) EFSA Species Championship
- c) English Boat Championship
- d) European Line Class and Boat Championships
- e) European Shore Championship
- f) English Cod Festival
- g) English Shore Championship
- h) English Shore Species Festival
- i) European Game Festival
- j) Shore Championship of the British Isles

10. Special Business.

None notified

11. Annual General Meeting 2011.

2009 Boat and Line Class Championships

On the 2nd of August the opening ceremony for the 2009 Boat and Line Class Championships took place with a pipe band leading the parade of participating nations through the streets of Stromness on the Orkney Islands. The speeches were made and the Championships formally opened by our EFSA Chairman, Horst Schneider.

The Boat Championship got under way on the Monday on an assortment of 16 boats ranging from fast modern charter boats to classic wooden trawlers and a couple of sailing boats one of which, The Swan, was built in 1905. This was the first year for the change of format to 4 days Boat and 1 day for the Line Class.

The week started with a stiff breeze, which thankfully decreased as the week went on. The fishing was not as those who fished the last Championship in 2003 remember it with boats moving around to find sizable fish to count. All fishing was done on the drift with much cursing as another rig was claimed by the rocky areas we were drifting for Ling and Pollock. On some of the cleaner ground there were Gurnard, Dogfish, Dab and Cod and later in the week good numbers of Spurdog were caught by some boats. Several other species were recorded during the week, though not in any numbers to affect the points.

After the 4 days the points were totalled. This time round commiserations go to Colin Searles who, with a perfect 300% after 3 days, on day 4 added 79.2% to finish in 4th place. Closely followed by Ray Barron in 5th with 370.4%. Whilst mentioning Ray, he did collect the award for Most Fish caught during the Championships.

Top honours went to Alister Robertson of Scotland with a score of 389.7% taking Gold pin, Tommy Squires of Ireland on 387.1% the Silver pin and Heiko Drier of Ireland with 386% the Bronze pin.

The England A Team of Neil Bryant, Ray Barron, Colin Searles, Mike Smith and Richard Russell came out in 1st place in the International Team results, with Ireland 2nd and home team of Scotland in 3rd, England B managed 5th place.

Line Class on the Friday was the best weather of the week with light winds and sun. All anglers used the same 6kg Ande line with a single hook. As this was scored by measuring the length of each fish most boats headed north in the hope of finding the spurdogs again in order get a winning length. The fishing was slower than the previous day with most boats finding spurs, ling, dogfish, 3 varieties of gurnard and cod. The greatest length of the day by a long way was our own Richard Russell with 1391cm taking the Gold pin, well ahead of the second place total of 1055cm.

On the Saturday the presentation was held in the afternoon with a good prize table, which the Irish section took the majority of the honours. Nobody left empty handed as one of the sponsors gave everyone a miniature of 18-year-old Highland Park whisky, which went down well.

The Gala dinner was held in the evening with good food and wine, followed by a ceilidh band providing the music. The dancing was led by the Scottish section who knew the moves, then in an attempt to get others dancing they moved amongst the other sections inviting them to partner them on the dance floor. Whilst the dancing would not win many prizes on the TV a good time was had by all, a fitting end to a good week.

Full list of results and photographs of parade and presentation can be found at www.efsa-scotland.org

Boat Class English results

4 th	379.2%	Colin Searles
5 th	370.4%	Ray Barron
7 th	359.7%	Richard Russell

Kim Bowden

Report on EFSA British Isles Shore Championship 6th to 8th August 2009 - Dover

Once again the Federation used the Burstin Hotel at Folkestone for the Championship Headquarters with teams from England, Ireland and Wales taking advantage of generous rates and the hospitality of this large sea front hotel. The weather forecast was favourable with a large high-pressure area hovering over Kent and this ensured that the 30 competitors fished the Southern Breakwater wall on every day of the three-day event.

Boats travelled to the wall at 8am and returned at 4pm. The fishing was organised in five zones, fishing both sides of the wall outside into the English Channel and inside into Dover harbour. Dover Sea Angling's president, Allan Edgington, plus pier steward Tom Preston helped with pegging, landing nets and transport along the wall, whilst Dover members Jimmy and Andy supplied extra bait and an ever-ready kettle. Bait was supplied by Peter Owen of Folkestone Angling and Roy Skelton of Channel Angling at Dover and included lugworm, ragworm, squid, sandeel and mackerel.

From the first cast it was England A that took the initiative with, Dave Lovelock (Chippingham); Reg Clough (Salisbury), Alan Yates (Dover), Budge Booker (Newhaven) and John Campbell (Sheerness) off to a flying start on day one with three zone wins. On day two they went one better with four zone wins and then on day three another three zone wins taking the team gold medal by a large margin with 69 points. Team runners up were Ireland A with Ken Forsythe, Jack Keegan, Ian Knight, Peadar Taite and Steven Glynn scoring 51 points ahead of Wales A (Phil Lustig, John O'Connor, Haydn Cole and Ken Gainforth) on 47pts.

Alan Yates took three day wins to win the gold individual pin with a catch and release total of 8.65metres. Second Dave Lovelock who had three zone wins (4.55metres) with Reg Clough (two zone wins and 3.92metres) taking third spot to seal the England squad's domination. The two-man team event went to Dave Lovelock and Steve Tucker of Wales with 33 points and the four-man team to Reg Clough, Haydn Cole (Wales), Steven Glynn and Peadar Taite (both Ireland) with 46pts.

The biggest fish over the three days was a catch, measure and release smoothhound of 77cm for Budge Booker of England and the biggest flat fish a 27cm dab for Reg Clough. Catches also included; codling, dogfish, eel, pouting, wrasse, garfish, gurnard, red mullet, bream, bass, plaice, scad and, of course, mackerel - which didn't count in the event. It was noticeable that the Friday with a duller sky produced more fish than the other two brighter days.

Special thanks to Dr John O'Connor and Brian Flack for sorting results and bait.

Report by Alan Yates

EFSA England Shore Championship – 3rd/4th October 2009

The Section's Shore Championship was fished over two days on the Pevensey Bay and Eastbourne (Langley Point) beaches. Only 15 Section members entered, of whom one withdrew sick and another because of the low turnout - thus leaving a disappointing 13. But this determined group showed their skills and local nous.

The decision on which beach to fish was left to the final minute the night before the match to gather in local info and to try and descend upon an in form venue. The forecasted gale force winds had also been a factor, as anglers would have been exposed on other venues. Sadly the local experts were undone with their choice of giving Pevensey Bay a try. Only 3 anglers managed to find a fish with Colin Sargeant just coming out on top with a sole.

The decision to switch to Langley for the second day was a good one with almost everyone catching fish. Gerry did his bit for conservation and everyone else shared whiting, bass, soles, dab, eels and even a gurnard. The weather was good and everyone had a good day.

The prizegiving ceremony was held in the Eastbourne Angling club and we all crammed into the balcony room to see Paul Parsons deservedly scoop up 1st place and the gold pin for his 2nd and 1st place performance over the 2 days. Colin Sargeant collected the silver pin and Dave Lovelock came 3rd for the bronze pin.

Other results were:

- 1st Paul Parsons
- 2nd Colin Sargeant
- 3rd Dave Lovelock
- 4th Martin Sherwin
- 5th Ian Hopper and Reg Clough
- 7th Paull Curtice
- 8th John Ryder
- 9th Tony Porrit

Drawn pairs:

- 1st Paull Curtice / Colin Sargeant
- 2nd Dave Lovelock / Martin Sherwin
- 3rd Budge Booker / Paul Parsons

As usual there are thanks to be given. To Eastbourne Angling Club for welcoming us into their bar and letting us use their facilities. To Andy Selby for sorting out prizes and couriering over to Pevensey and to the lads mucking in with the pegging in the mornings.

Paull Curtice

English Cod Festival Dover 12th & 13th December 2009

This year's Cod Festival is returning to Dover and time is running out fast to get your entries in. We have enough entries for the event but if we have to cancel a boat there will be no squeezing anglers on as they forget to enter.

Those of you that fished the European Species Cod event in 2005 will remember that plenty of fish were caught on bait and by pirking. The baits recommended for use is lugworm tipped with squid or cuttle baits.

In this event anglers will be allowed to use a Pennell Rig, Pirk with a Flyer or two single hooks. Places will be limited as we are expecting many members from EFSA Europe to fish the event so get your entries in quickly so not to be disappointed.

We have negotiated an excellent package with the Grand Birstin Hotel in Folkestone which will be our HQ hotel. This will be an ideal weekend to bring your partners as there is so much to do. The hotel has excellent facilities including a Gym, Sauna and swimming pool it also has daily coach trips to France to stock up on your wine & cheese and an excellent Sunday Market adjacent to the hotel.

AGM / Flounder Poole 2010

We once again we will be returning to the Arndale Court Hotel for our annual AGM and Flounder competition. Those of you that expressed a concern on the food in previous years, I spoke to many anglers staying in 2009 and they said it was fine and great value for money. Please remember you are paying around £15 for a 3-course meal including coffee. This is a good value well situated hotel

Those that have not stayed before it is a good night for us all to get together and have a good social night, so why not bring your partner, wife, husband, pet and introduce them to your fellow anglers who you spend as much time with.

Please do not forget to send your AGM attendance reply back to Kim.

On the Sunday we will be having our annual Flounder Bash were we are expecting Bobby King to start blanking again and break that 13-year run!

This year we have great tides for both the boat and beach anglers, early indications are that there are plenty of flounders coming from the harbour.

The Arndale can be booked on 01202 683746 .

European Boat and Line Class Championships Dalvik, Iceland 11th/15th May 2010

Iceland is hosting the 2010 Boat and Line Class event at Dalvik on the north coast of Iceland. Unfortunately, there were not too many brochures to be had so you will find a copy on our website under Diary of Events.

If you fly to Reykjavik airport you can fly on to Akureyri (40 minutes), or drive - which is 480 km and will take about 6 hours.

There is limited accommodation in Dalvik but there is more in Akureyri which is 45 km away. There will be buses laid on each morning and evening between the two towns. Also the bus will run for the presentation, which will be held in Akureyri.

For those of you that fished the Westman Islands off Iceland's south coast in 2007, you will recall how good the fishing was. I have not experienced fishing like it before or since so I am hoping for 6 hours of hectic fishing once more. This could be your last chance to experience fishing of this standard. Currently their waters are only fished by the Icelandic using hook and line. Iceland is now looking to join the EU and if their waters are open to European commercial fisherman. In my view the fish stock will go one way.

Full details, including accommodation and cost of the event, are on the website. If you have difficulties with the website then contact me and I will try to assist.

On the down-side, as I pointed out in our last Newsletter, our closing date is 18th of January 2010. For those of you planning to go, there should be good fishing and a friendly and hospitable welcome from the host nation.

Kim Bowden

EFSA Species Championship
Albufeira, Portugal, 3rd/5th September 2010

There is not a lot of information available on this event as yet, though it is expected soon. So best to keep a check on our website or register your interest with me and I will get detail to you when I have it.

It is a Bream species competition and as I recall, it will be on weight - which is just as well as they have more species of bream than you can shake a stick at.

The closing date on this is likely to be early in 2010 so keep an eye out.

Kim Bowden

Game Championship, Dakar, Senegal, 2-9th October 2010.

EFSA moves to the exotic west coast of Africa for their 2010 Championship. This will be an event comprising of 3 man teams fishing from 9 metre boats. Any members not teamed up will be accommodated in a “Barbarian” team. Full details are available from the English Section website www.efsa-england.com on the “Diary of Events page”.

Closing date for registering entries is 1st January 2010. This early closing date is necessary to secure the amount of boats and hotel rooms we will require.

D.A. Styles.

REGISTRATION FOR MONTHLY SPECIMEN FISH AWARD

To: EFSA England Hon. Fish Recorder.

Please register the following specimen fish which was caught in accordance with the rules of the European Federation of Sea Anglers.
